IMPORTANT NOTES

- Keep in a cool (4°C to 24°C) place. Do not allow to freeze.
- Store out of direct sunlight.
- Do not use inoculant after expiry date.
- Do not use for other legumes except as indicated.

WARNINGS AND PRECAUTIONS:

- Keep out of reach of children, unformed persons and animals.
- May cause slight eye irritation.
- May cause allergic reactions in sensitive persons. Avoid inhalation of dusts.
- Do not use after product expiry date.
- Reseal package after use.
- Wash hands with soap and water before eating, drinking or smoking.
- Destroy empty bag and do not use for any other purpose.
- Prevent contamination of food, feed, drinking water and eating utensils.

Although this remedy has been extensively tested under a large variety of conditions, the registration holder does not warrant that it will be efficacious under all conditions because the action and effect thereof may be affected by factors such as abnormal soil, climatic and storage conditions, quality of dilution water, compatibility with other substances not indicated on the label and the occurrence of resistance of the disease against the remedy concerned, as well as by the method, time and accuracy of application. The registration holder furthermore does not accept responsibility for damage to crops, vegetation, the environment, or harm to man or animal or for lack of performance of the remedy concerned due to failure of the user to follow the label instructions or to the occurrence of conditions which could not have been foreseen in terms of the registration. Consult the supplier in the event of any uncertainty.
